

## 60W Garden Solar Light

What is a 60W solar panel?

Its highly sensitive light source can charge your mobile power supply even under natural light or cloudy conditions. Providing a more stable output of up to 18V, the 60W solar panel is perfect for a variety of devices and applications. The solar panel is perfect for travelling or going on trips in the wilderness where portable power is needed.

What is solar energy light?

Solar energy light is integrated by the LED light +solar panel +controller +microwave sensor +lifepo4 batteryetc. Widely used in schools,factories,countries,country road,mountain roads,parks,villages or desert areas. Long-term environmental lithium batteries with overcharge and over discharge protection,more safe and reliable.
