Phillips to the Benin palace one month before. Although the killing of Phillips and his men ...

The Dutch, French and English entered this trade in the 1600s CE, making Benin rich and powerful. However, by the 1800s CE, the power of Benin had weakened, and the British wanted to control trade in the region. In 1897 they invaded the kingdom of Benin, burning Benin City to the ground and making it part of British Nigeria.
