What is a foldable solar panel?

Foldable Solar Panels are lightweight, durable, and highly portable. Individual solar modules are mounted to weather-resistant fabric that quickly folds for storage and unfolds for use. Unmatched durability allows for use in harsh environments and a panel that works even after a portion is damaged.

What is a solarfold photovoltaic container?

The Solarfold photovoltaic container can be used anywhere and is characterized by its flexible and lightweight substructure. The semi-automatic electric drive brings the mobile photovoltaic system over a length of almost 130 meters quickly and without effort into operation in a very short time.

What is a folded solar container?

Folded Solar container is compact and easy to off-load and unload. By removing all outer structural parts we ensure total panels exposure (no shades). Solar panels lay flat on the ground. This position ensures maximum energy harvest. System ensures fast retraction time making it safe in all weather conditions.

How does solarfold work?

With Solarfold, you produce energy where it is needed and where it pays off. The innovative and mobile solar container contains 200 photovoltaic modules with a maximum nominal output of 134 kWp and, thanks to the lightweight and environmentally friendly aluminum rail system, enables rapid and mobile operation.

How many homes can a solarfold Container Supply?

The on-grid version of the solarfold container is connected directly to the public power grid and can supply up to 40 single-family homes with the energy produced (energy requirement of 3,500 kW/year/single-family house). The solarfold on-grid container can also be expanded with various storage solutions.

Are foldable solar panels weatherproof?

Foldable Solar Panels keep you connected, power your outdoor life, and help you get more out of your adventures. Foldable Solar Panels are designed for regular outdoor use but not permanent outdoor installations. The panels are not weatherproof and should not be left wet, if at all possible.
