

Double glass sun shed

What is a 6x4 Shire sun hut garden shed?

With its double doors and side opening windows, the shed is bathed in natural light, creating the perfect environment for nurturing your home-grown projects.. The 6x4 Shire Sun Hut Garden Shed is constructed with precision, the shed features toughened glass and a 12mm Tongue and Groove floor and roof, proving resilient against the elements.

What is a beyond shed?

Take control of your outdoor space and make it your own with the Beyond Shed! The 25.4 mm insulated floor features 3-layer construction: Interior Surface - 5 mm PVC sheet with waterproof, noise-reducing, insulating mat; Middle - 1 mm galvanized steel sheet; Bottom - 1.5 mm galvanized steel tubing.

Can a steeltech shed be used as a snooker room?

Remember that a Steeltech shed isn't just a garden shed, it can be anything you want it to be. This versatile product can fulfil almost any role. Some of our customers use it as a simple sunroom. Artists use it as a studio, as it lets in ample natural light. It could be a snooker room, or would even be excellent for entertaining family and friends.

Both the Alpha Plus and OMEGA systems can be built with double pane glass windows. ONLY THE OMEGA sunroom system comes with the extra vinyl cladding on the extruded aluminum framing to provide that extra layer of thermal protection making it the ultimate in 4 season comfort.
