Product information is subject to such changes and adjustments without notice. HUAWEI SuperCharge Power Bank 10000 mAh (Max 22.5W SE) is compatible with PD, QC, SCP and FCP standards, etc. It supports bidirectional quick charge and trickle charging modes.

How many devices can you charge with a power bank?

You can charge all your devices, including mobile phone, tablet, earbuds, and smartwatch. It supports 20 W PD Quick Charge and 18 W QC Quick Charge. The versatile power bank is compatible with multiple devices, so only one is enough for travel. Designed using premium materials for a smooth, textured finish to create two different senses of touch.

What features should you consider when buying a portable power bank?

Pass-through charging is another feature to consider; with it, you can charge your device and a portable power bank simultaneously. That's convenient if both your phone and backup battery are running on empty.

How do I charge my phone with a power bank?

For certain small-sized devices that support wireless charging, you'll need to press the button on the power bank to begin charging. When the power bank serves as a wireless charger, it will begin charging once the phone is fully charged. The power bank is compatible with devices supporting SCP, UFCS, and PD charging protocols.

Should you buy a portable battery or power bank?

Watching your phone or tablet steadily run out of power when you're nowhere near an outlet is stressful. But there's an easy solution: a portable battery or power bank. These are available in many sizes and capacities and can include handy features like fast charging and extra ports.
