What makes EGO the top-rated brand in cordless outdoor power?

EGO is the #1 rated brand in cordless outdoor power with over 165,000 5-star reviews. Innovative technology keeps the battery cool for longer run time and battery life. Advanced 56V battery technology delivers power without the noise, fuss, and fumes.

How do I build an off-grid Solar System?

Here is a step-by-step process to build an off-grid solar system: First, list all appliances you will use with solar energy. Note how many hours each will run. Check the power rating of each appliance from its specification chart. Multiply run time by power rating to get Watt-Hours. Add up all watt hours to get the total energy needed.

Is Outbound Power a good place to buy a Jackery power station?

Outbound Power is a fully authorized dealer with good prices for Jackery power stations. I purchased a Jackery power station from them at a super low price, which was further discounted due to my veteran status. Shipping was fast and free. Upon receipt, I discovered that the unit had a problem. I contacted Bill at Outbound Power for assistance.
