

Mobile power box stand

What is a box stand?

A box stand is designed to place the top of a shipping box slightly below the height of the items to be packed. This allows packers to sweep the product into the box using their left hand while guiding it with their right hand, minimizing pick-and-place motions.

Where can I buy power tool stands & mobile bases?

Amazon.com: Power Tool Stands & Mobile Bases - Power Tool Stands & Mobile Bases / Power Tool...: Tools & Home Improvement Start here. Check each product page for other buying options. Price and other details may vary based on product size and color. Shop products from small business brands sold in Amazon's store.

What is Steelcase Flex Mobile Power?

Inspired by ceramic tableware, Steelcase Flex Mobile Power is a beautiful and functional way to help people stay powered up anywhere in the workplace.

How long does it take to charge a mobile power unit?

A fixed, proprietary charging tray takes only 4 hours to charge five mobile power units, so they are ready for the next day's work. The LED indicator lets you know when the unit is running low. Added feature monitors & displays battery health. Steelcase Flex Mobile Power's refined design can look great sitting on any tabletop, in any environment.
