Shop for a "split phase" inverter. It should say 110-220, or 115-230 volt. I found this one interesting. They designed it to be stackable, to have more than one in parallel. But also to "stack" their output voltage so that you can have 110v plus 110v to get your 220v, and center between the two connected to ground. I have no experience with ...
