

# Nepal Portable Power Company

Does Nepal have a power outlet?

The US is unique in that it runs on 110V and 50Hz. This means you'll want to make sure that your devices are dual voltage before plugging them into a Nepalese power outlet. Fortunately most devices these days are dual voltage. Nepal's infrastructure is hopelessly underdeveloped, including its electrical system.

Who is Butwal Power Company?

Butwal Power Company (BPC) is one of the leading companies in Nepal's power sector with generation and distribution as its core business areas. Incorporated in 1966 as private company and converted into public limited company in 1993, BPC has a track record of pioneering multi-faceted capacity building initiatives in hydropower development.

Is BPC a registered company in Nepal?

BPC is registered with the Securities Board of Nepal and listed in Nepal Stock Exchange Limited. Starting off with electrification plan of a small city in the south of central Nepal, BPC is the only enterprise which can look back to a five decade long history of success, sustained growth and capacity building in the country.
