

Pakistan container house wholesale

How much does a container house cost in Pakistan?

The cost of our container houses in Pakistan may vary depending on several factors, such as the size, design, location, and quality of materials used. The average cost of our basic container house in Pakistan can range from PKR 500,000 to PKR 1,500,000.

Why are container houses so popular in Pakistan?

Our Container houses in Pakistan are becoming increasingly popular due to their affordability, durability, and eco-friendliness. They are often less expensive to build than traditional homes and can be designed to be energy-efficient and environmentally sustainable. They can also be customized to suit various design preferences and needs.

Why should you buy a small shipping container house in Pakistan?

The advantage of a small shipping container house is that it is affordable and can be built quickly in the factory. This small house in Pakistan is built to be wider. We offer clever design and minimal features to make the space feel larger. It has large windows and makes the most of the stunning views.

What are the legal requirements for buying a container house in Pakistan?

In Pakistan, the legal requirements for buying our container house will depend on the location where the house is being purchased. However, here are some general legal requirements that may apply: Our Container houses may be subject to building codes and zoning regulations in the area where they will be located.

What size shipping containers are available in Pakistan?

We offer standard-size shipping containers in Pakistan, which are 8 feet wide and 8 feet 6 inches high with the following lengths: Our 1300SPAREBOX has 40 FT and 20 FT tall cube containers, helping you with 30cm extra space available.

What is a container house?

Our Container houses can be constructed by stacking and joining multiple containers to create larger living spaces or by cutting and modifying containers to create unique designs. They can be used as single-family homes, multi-unit housing, vacation homes, offices, and more.
