

Purchase Solar Roof Tiles

What is a solar roof?

Solar Roof is comprised of both glass solar tiles and steel roofing tiles. Glass solar tiles produce energy, while architectural-grade steel tiles add longevity and corrosion resistance to your roof. Both are durable, strong and engineered for all-weather protection.

How to choose a solar roof?

Compared to conventional roofing materials, solar tiles often contribute greater weight. Thus, a sturdy roof is necessary to support the load. Energy production is a crucial factor to consider when selecting solar tiles. Think about solar tiles' electricity output, which is between 25W and 114W.

What are solar roof tiles?

Just like solar panels, solar roof tiles convert sunlight into electricity, but they're made to look just like traditional roof tiles. Some models are actual roof tiles with integrated solar cells.

Do solar roof tiles have a warranty?

Glass and steel roofing tiles make up solar roof tiles. While the latter is flexible and can be installed on rooftops of any size or shape, the former is strong and offers exposure to the sun, which produces energy. In addition, while solar panels have a 20-year warranty, solar roof tiles have a 25-year warranty.

How much do solar roof tiles cost?

An average of 3.5 kW solar roof tile system will cost you £9,500. Information last updated in March 2025. By contrast, on average, 3.5kW worth of solar panels will set you back £7,026. But remember, you are also getting a new roof with your solar tiles, so direct price comparison is slightly misleading.

Are solar roof tiles a good option for your home?

If you want to benefit from solar power for your home but would love to preserve the aesthetics of a tiled roof, solar roof tiles might be the way to go. Sometimes called "invisible solar," solar tiles are also a great option for solar power upgrades to listed buildings or buildings in conservation areas.

Solar tiles in the UK cost between £11,000 - £13,500 for the average 2-3 bedroom home while regular solar panels can cost between £5,000 - £6,000.; The biggest appeal of solar roof tiles is their aesthetically pleasing ...
