Outdoor Albania has put together a dream week of ski touring for us. They knew how to adapt to the snowfall and put together a great program. Long downhill slopes, excellent cold snow, unexploited, wild valleys, very rich encounters with the Albanians and their history thanks to our super guide Besi, in high quality hotels and Guest houses. thanks to the whole team

Connecting the three towers is a plaza, which leads to a stepped pyramid structure rendered in white concrete. This central element serves as the heart of the development, housing a retail area that extends below ground. This ziggurat-like form, wrapped with protruding staircases providing access to the upper levels, creates a dynamic public space.
