We visited the Tile House today, 25.10.2023, for the first time. What a pleasant surprise!!! We were met by Zayaan and Sihaam, the fiendliest, most helpful and knowledgeable people I have seen in a very, very long time. Not only do they stock high quality tiles, but we were also treated with a cup of very nice coffee. We are hooked on the Tile ...

When compared to conventional solar panels - the Marley SolteQ PV Tile system is much more effective for complex roof designs where the available roof space does not allow for the installation of conventional solar panels e.g. Roof with multiple dormers, hips and valleys. As an example, a 5kW solar system may produce enough energy to power
